GUIDE FOR ABSENTEE BIDDERS

All bids must be received 6 business hours prior to the Auction Session. Your Absentee Bid Form should contain bids for one sale only; the sale name and sale number should appear at the top. Please place your bids as early as possible. In the event of identical bids, the earliest bid received will take precedence.

ABSENTEE BIDS

If you are unable to attend the auction in person, and wish to place bids, you may give Ira & Larry Goldberg's bid department instructions to bid on your behalf. Our representatives will try to purchase the lot for the lowest price possible, and will not purchase the lot for more than you indicate. This service is free and confidential. Note: Ira & Larry Goldberg Coins & Collectibles offers this service as a convenience to clients who are unable to attend the sale in person, and although we will make every effort, we will not be responsible for error or failure to execute bids.

PLACING ABSENTEE BIDS

To place bids, please use the Absentee Bidder Form provided in this catalog. Be sure to accurately put the lot number and the maximum price you are willing to pay on each lot. Always indicate a top limit or the amount which you would bid if you were attending the auction in person. This amount should not include the buyers commission noted in chapter 16 of the "Terms and Conditions of sale".

MAIL BIDS

When bidding by mail, you frequently purchase lots for less than your maximum bid. On the floor of the auction, bidding will open at 5-10% above the second highest mail bid: We act on your behalf as the highest mail bidder. If the auctioneer recognizes no other bids from the floor, you will be awarded the lot at the opening bid. If bidding proceeds from the floor, the company, acting as your agent, bids in increments over the previous bid. This process is continued until you are awarded the lot or you are outbid by the floor.

LIMIT BIDDERS

If you have a "limit" that you must stay within you must clearly notate this limit on your bid sheet. We will buy your lots as inexpensively as possible but will not exceed your "limit".

"OR BIDS"

Alternative bids should be indicated by using the word "OR" between the lot numbers. Then if your bid on an early lot is successful, we will not continue to bid on any other lots for you. Or, if your early bids are unsuccessful, we will continue to execute bids for alternative lots until a bid is successful. Bids must always be placed in the same order as the lot numbers appear in the catalog.

TELEPHONE BIDS

Bids may be placed by telephone, but are accepted only at Ira & Larry Goldberg Coins & Collectibles discretion and at the risk of the telephone bidder. We will not be responsible for error or failure to notify the customer in a timely manner during the auction. The telephone bidder must notify the company prior to auction all lots the bidder is interested in bidding on. The telephone bidder should have a preconceived idea of the top limit that he/she would like to bid prior to auction. In some instances the representative of the company will request this information at the time of auction. This information assists us in the bidding process by giving us a range to stay active in the bidding. We will not notify the auctioneer of your limit and will buy your lot at the lowest price possible.

INTERNET BIDDING

For bidders that want to place Absentee Bids over the internet in lieu of by mail or facsimile, Ira & Larry Goldberg Coins & Collectibles has available internet bidding for those wishing to conduct bidding over the world wide web. For those customers wishing to bid via email, please go to goldbergscoins.com. Click the "how to bid" button, then click the online fill in form. You must be registered with our firm to be able to participate in the internet bidding process. This service is free and confidential. Note: Ira & Larry Goldberg Coins & Collectibles offers this service as a convenience to clients who are unable to attend the sale in person, and will not be responsible for error or failure to receive bids due to network or internet down time.

BUYER'S PREMIUM

The "top limit" you indicate on your bid form is for the hammer price only. Please keep in mind that a buyer's premium will be added to the successful bid price of each lot you buy and is payable by you, together with the applicable sales tax and shipping charges which is applied to the total cost of your purchase (the total cost includes the buyer's premium). The buyer's premium of 15% will be added to each lot as stated in the "Terms and Conditions".

SUCCESSFUL BIDS

Successful bidders will be notified and invoiced within a few days of the sale. Prices realized are posted on our website immediately following each session, and are subject to change until the completion of the sale.

TERMS AND CONDITIONS OF SALE

These Terms and Conditions of Sale set forth the terms of a public auction sale conducted in Beverly Hills, California by Ira & Larry Goldberg Coins & Collectibles, Inc., a Nevada corporation, California Auction Bond No. 3S95453300 (hereinafter, the "Auctioneer" or "Goldberg"). The Terms and Conditions of sale, the glossary, if any, and all other contents of this catalog are subject to amendment by us by the posting of notices or by oral announcements made during the sale.

By participating in any sale, you acknowledge that you are bound by these terms and conditions.

1 This catalog contains the description of property of multiple consignors (the "Consignors"), and may include consignments from Goldberg, its principals, and affiliated or related companies and their employees, officers, or principals. All persons seeking to bid, whether in person, through an agent or employee, or by telephone, facsimile or mail, must have a catalogue and register to bid at the auction, either by completing a registration card or by completing the bid sheet incorporated into the catalogue. The Purchaser acknowledges that an invoice describing a lot by number incorporates the catalogue by reference.

2 By submitting a bid, whether in person, by mail, by phone, by facsimile or through an employee or agent, the Bidder acknowledges (i) receipt of the catalogue, (ii) that the Bidder has read the Terms and Conditions of Sale and the descriptions for the lots on which they have bid, and (iii) that they agree to adhere to these Terms and Conditions of Sale. Acceptance of Bids: Anyone wishing to place bids on lots who will not be attending the live auction must submit their bid(s) at least six (6) business hours prior to the auction session. Bidder is responsible for verifying said bids were received by Goldberg.

3 Each Bidder's determination of its bid should be based upon its own examination of the item(s), rather than the grade represented in this Catalogue or elsewhere. In any purchase or sale, the value of the item(s) is determined by the price. **THE PURCHASER HEREBY ASSUMES ALL RISKS OF VALUATION CONCERNING ANY AND ALL PURCHASES.** All Floor Bidders acknowledge that the Auctioneer can decline to accept bids from the a Floor Bidder who is known to have not, in fact, examined the lot prior to the sale.

4 All material shall be sold in separate lots to the highest Bidder as determined by Auctioneer. If any dispute arises during or immediately after the sale of a lot, Auctioneer shall have the right to rescind the lot

offered and put the lot up for sale again. In all cases, Auctioneer's decision shall be final. For the protection of any Mail Bidder, no "unlimited" or "buy" bids will be accepted. Goldberg shall have the right in its sole and absolute discretion to reject any such bid received. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder must bid higher than the highest mail bid to be awarded any lot.

5 Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up unless the Auctioneer determines otherwise. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.

6 All lots may carry a reserve. For purposes of these Terms and Conditions of Sale, a reserve means a confidential price below which the Auctioneer will not sell an item or will re-purchase on behalf of the Consignor or for the account of Goldberg.

7 The Auctioneer may open the bidding on any lot by placing a bid on behalf of the seller; a Bidder by mail, telephone or facsimile; or any other participant in the sale. The Auctioneer may also bid on behalf of the Consignor up to the amount of the reserve, by (i) accepting bids from floor agents on behalf of the Consignor, or any affiliated or related company of the Auctioneer or the Consignor; (ii) by placing successive or consecutive bids for any lot; or (iii) by placing bids in response to other Bidders.

8 Auctioneer reserves the right, at his sole discretion, (i) to accept or decline any bid, (ii) to accept or decline any challenge to any bid or bidding increment, (iii) to reduce any mail bid received, (iv) to open the bidding of a lot at any level deemed appropriate by the Auctioneer, and (v) to determine the prevailing bid. Bids will not be knowingly accepted from persons under eighteen (18) years of age without a parent's written consent contain-

ing an acknowledgment that the Terms and Conditions of Sale herein and indicating their agreement to be bound thereby on behalf of the Bidder.

9 It is unlawful and illegal for Bidders to collude, pool, or agree with another bidder to pay less than the fair value for a lot. Bidders in the sale acknowledge that the law provides for substantial penalties in the form of treble damages and attorneys' fees and costs for those who violate these provisions.

10 Goldberg reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Purchaser has taken physical possession of the lot. No Consignor who has registered to bid at the sale (or at any other time unless otherwise provided in the consignment agreement), or any Purchaser or prospective Bidder shall have a right to claim any damages, direct, consequential or otherwise, if a lot is withdrawn, even after the sale.

11 **GOLDBERG IS NOT RESPONSIBLE FOR ERRORS IN BIDDING.** A Bidder should make certain to bid on the correct lot and that the bid is for an amount (plus the fifteen percent (15%) Buyer's Commission or plus the twenty percent (20%) to Ebay bidders) that he or she is willing and able to pay. Since other Bidders (by mail, facsimile or other electronic media and in person) will be present, and since a re-offering could damage the momentum of the sale, once the hammer has fallen and the Auctioneer has announced the winning Bidder, such Bidder is unconditionally bound to pay for the lot, even if the Bidder has made a mistake.

12 **THIS IS NOT AN APPROVAL SALE.** All lots sold to the highest Bidder as determined by Auctioneer are final. Floor Bidders are encouraged to carefully examine all lots which they are interested in purchasing because all sales of items viewed by Purchasers in advance of a sale, even if the sale is by mail, telephone or facsimile, and all lots bid upon by the Floor Bidders, together with all

those presenting Goldberg with a resale certificate, out of state resale certificate, or similar evidence that they are acting as a dealer **ARE FINAL AND SUCH ITEMS MAY NOT BE RETURNED.** If the description of any lot in the catalogue is incorrect, the lot is returnable if returned within five (5) calendar days of receipt, and received by Goldberg no later than twenty-one (21) calendar days after the sale date. No return or refund of any auction lot will be considered except by reason of lack of authenticity, unless otherwise provided in these Terms and Conditions of Sale. All lots are sold under the condition that any claims challenging grading, authenticity or methods of manufacture must be made in writing within five (5) calendar days of receipt of material. All disputed lots must be returned intact as received in their original, sealed and unopened container. Late remittance or removal of any lot from its original container constitutes just cause for revocation of all return privileges for any reason.

13 All prospective Bidders who are allowed the opportunity to examine lots prior to the sale shall personally assume all responsibility for any damage they cause in so doing. Goldberg shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by the prospective Bidder.

14 Title to any lot remains with Consignor, any secured party of the Consignor, or assignee of Consignor, as the case may be, until the lot is paid for in full by Purchaser. Goldberg reserves the right to require payment in full before delivering any lot to the successful Purchaser.

15 It is the Purchaser's responsibility and obligation to have the lots fully insured while in his or her possession. Purchaser assumes any and all RISK OF LOSS once the lot(s) is in Purchaser's possession.

16 **A BUYER'S COMMISSION OF FIFTEEN PERCENT (15%)** will be added to all purchases made by all Purchasers, except Consignors, regardless of Purchaser's affiliation with any group or organization, and will be based upon the total amount of the final bid. **EBAY & ICOLLECTOR BIDDERS PAY A BUYER'S COMMISSION OF TWENTY PERCENT (20%).**

17 Pursuant to a separate agreement with Auctioneer, Consignors or their agents may be permitted to bid on their own lots in the sale and may receive a rebate commission

in whole or in part if successful. Under some circumstances, Goldberg may agree with a Consignor (i) not to require the Consignor to pay for all or part of any items bid upon or re-purchased by the Consignor; (ii) when or where an advance has been made, to have the Consignor pay an agreed upon difference to Goldberg; or (iii) to allow an offset against other transactions with Consignor. Where the Consignor has re-purchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Goldberg reserves the right to so note in the prices realized or to omit a price from the price realized. Every Consignor who registers to bid in the sale, whether to "protect" a lot, or for any other purpose, agrees to all other Terms and Conditions of Sale per this agreement.

18 Lots must be paid for within 14 days of receipt of invoice or delivery. Unless otherwise agreed in writing, auction sales are strictly cash above \$2,500.00 in U.S. Funds payable through a bank in the United States. Contact Goldberg for wiring instructions before sending a wire. Goldberg reserves the right to decline to release lots for which funds have not yet cleared. Credit card (**Visa & Mastercard only**) purchases will be accepted on totals not exceeding \$2,500. On any cash transaction or series of transaction exceeding \$10,000, Treasury Form 8300 may be filed.

19 Purchaser agrees to promptly pay, on demand, any sales tax, or any other tax, if required by law to be collected, postage, handling, and shipping insurance plus the fifteen percent (15%) or plus the twenty percent (20%) to Ebay bidders Buyer's Commission, and any other taxes required by law to be charged or collected, together with any interest or penalty that may be assessed.

20 Purchaser grants to Goldberg or its assigns the right to offset any sums due, or found to be due Purchaser by Goldberg, and to make such offset from any past, subsequent or future consignment, or items acquired by Purchaser in possession or control of Goldberg or from any sums due to Purchaser by Goldberg. Purchaser further grants Goldberg a purchase money security interest in such sums or items to the extent applicable, and agrees to execute such documents as may be reasonably necessary to grant Goldberg such security interest. Purchaser agrees that Goldberg and its assigns shall be a secured party with respect to items bought by Purchaser and in

the possession of Goldberg, to the extent of the maximum indebtedness, plus all accrued expenses, until the indebtedness is paid.

21 By bidding in this sale, Purchaser personally and unconditionally guarantees payment. If the Purchaser is a corporation, the officers, directors, and principals of the corporation hereby agree to personally and unconditionally guarantee payment as part of the corporation's agreement to bid. The authorized representative of any corporate Purchaser who is present at the sale shall provide Goldberg or its agent, prior to the commencement of the bidding (or at the time of registration), with a statement signed by each principal, director and officer that they each personally and unconditionally guarantee any payment due Goldberg.

22 No bids will be accepted from Floor Bidders and Mail Bidders who have not previously established credit with Goldberg unless they first (i) furnish satisfactory credit references or (ii) deposit at least twenty-five percent (25%) of their total bids for that session(s), or such other amounts as Goldberg may require, in its sole and absolute discretion. Any deposits made pursuant to this paragraph will be applied to such Bidders purchases. Any unused portion of such deposit will be promptly refunded upon clearance of the funds.

23 On any accounts past due, Goldberg reserves the right to extend credit and impose periodic charges, pursuant to these Terms and Conditions of Sale or as set forth in the Purchaser's invoice. If the auction invoice is not paid in full when due, the unpaid balance will earn interest at the rate of one-and-one-half percent (1 1/2%) per month until paid. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law. Goldberg further reserves the right to resell the merchandise, or to have an affiliated or related company do so. Purchaser agrees to pay all reasonable attorneys' fees, court costs and other collection costs incurred by Goldberg or any affiliated or related company to collect past due invoices, including reasonable costs of any resale of the merchandise. Purchaser also agrees to pay the difference between the resale price and any previous disbursements. Money realized from the resale shall be applied as follows: (i) to pay sums due to the consignor, (ii) to pay Goldberg standard commissions and fees for the resale, (iii) to pay Goldberg any sums owed to it by purchaser, and the remainder, if any, will be paid to the Purchaser. Goldberg reserves the right to assign its interest to any third party.

24 Goldberg may at its sole and absolute discretion, make loans or advances to Consignors and/or prospective Purchasers.

25 The Auctioneer may bid for his or its own account at any auction (even though it may not be required to pay a Buyer's Commission, or other charges that other Purchasers may be required to pay) and may have access to information concerning the lots and items contained therein that is not otherwise available to the public. Any conflict of interest or claim of competitive advantage resulting therefrom is expressly waived by all participants in the sale.

26 If a dispute arises concerning ownership of a lot that has been bid upon, Goldberg reserves the right to commence a statutory interpleader proceeding at the expense of the Consignor and successful Purchaser and any other applicable party, and in such event Goldbergs shall be entitled to its reasonable attorney's fees and costs.

27 In the event of a successful challenge to the title to any goods purchased, Goldberg agrees to reimburse any Purchaser in an amount equal to the successful bid price actually paid by Purchaser at auction plus any Buyer's Commission actually paid, in full and complete satisfaction of all claims, such reimbursement once tendered by Goldberg, relieves and releases Goldberg from any responsibility whatsoever to the Purchaser, even if the instrument is not cashed or is returned.

28 Goldberg reserves the right to postpone the auction sale or any session thereof for a reasonable period of time for any reason whatsoever, and no Bidder or prospective Bidder shall have any claim as a result thereof, including consequential damages.

DISCLAIMERS AND WARRANTIES

ALL ITEMS OFFERED IN THIS CATALOGUE ARE GUARANTEED TO BE GENUINE. THIS IS A LIMITED WARRANTY THAT THE ITEM SOLD IS NOT COUNTERFEIT, THAT ITS DATE OR MINTMARK HAS NOT BEEN ALTERED AND THAT THE COIN HAS NOT BEEN "REPAIRED."

29 Any other warranty is expressly disclaimed; Goldberg offers no representation that a numismatic item has or has not been cleaned; that any toning is natural or artificial; that any coin will meet the standards or grade

of any independent grading service; that any item has a particular provenance or pedigree, or that a numismatic item is struck or produced in a particular style. Any statement concerning such matters reflects an opinion only. Questions regarding the minting of a coin as a proof or as a business strike relate to the method of manufacture and not to authenticity.

a. The descriptions contained herein represent the Cataloger's good faith opinion, or the opinion of an independent grading service, as to the state of preservation and strike. When a grade from an independent grading service is utilized, the information is provided strictly for the convenience of the bidder by mail, telephone or facsimile. Bidders and Purchasers acknowledge that (i) grading is an art, not a science; (ii) the grades contained in the catalogue represent the opinion of the Auctioneer based upon its experience; (iii) it is possible that two people will not always grade the same items alike; and (iv) as market conditions change, grading standards change, and will most likely continue to do so in the future.

NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, IS MADE WITH RESPECT TO ANY GRADE DESCRIPTION, WHICH IS MERELY AN OPINION THAT IS LIKELY TO DIFFER, EVEN AMONG EXPERTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING OF A LOT BY AN INDEPENDENT GRADING SERVICE.

b. Grading or condition of rare coins may have a material effect on the value of the item(s) purchased; and the opinion of third parties (including independent grading services) may differ from the independent grading service's opinion or interpretation of Goldberg. Goldberg shall not be bound by any prior or subsequent opinion, determination or certification by any independent grading service.

c. All oral and written statements made by Goldberg and its employees (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Goldberg has authority to vary or alter these Terms and Conditions of Sale. Any alteration shall be effective only if in writing and signed by an officer of Goldberg authorized to do so.

d. Bidders shall have no recourse

against the Consignor for any reason whatsoever.

e. Notwithstanding anything to the contrary in these Terms and Conditions of Sale, **COINS LISTED IN THIS CATALOGUE GRADED BY PCGS, NGC, ICG, SEGS, ACUGRADE, PCI, NTC OR ANACS CACHET MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER.**

30 By bidding in the sale, (whether in person, by mail, telephone or facsimile, or through an agent), Bidder expressly consents to the following

WAIVER AND RELEASES

Purchaser, for himself, his heirs, agents, successors and assigns, generally and specifically waives and releases, and forever discharges Goldberg, and its respective affiliates, parents, shareholders, agents, subsidiaries, employees, members of their respective boards of directors, and each of them, and their respective successors and assigns from any and all claims, rights, demands and causes of action and suites, of whatever kind or nature, whether in law or equity, whether known or unknown, suspected or unsuspected, which Purchaser may claim to have with respect to and/or arising out of, or in connection with any challenge to the title to any good purchased, the sale itself and/or the auction, except for reimbursement in the amount equal to any bid actually paid by Purchaser, plus any Buyer's Commission actually paid by Purchaser where such reimbursement is authorized in these Terms and Conditions of Sale. It is the intention of Purchaser that this waiver and release shall be effective as a bar to each and every claim, demand, cause of action and suit that may arise hereunder, and Purchaser hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

31 Neither Goldberg nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of

Sale of the auction or the conduct thereof and in no event shall liability for any such failure exceed the purchase price paid.

32 The sole remedy that any Purchaser in the auction shall have, whether such Purchase is bidding in person, by mail, by facsimile, by telephone, or through an employee or agent, for any claim or controversy arising out of the auction shall be a refund of the original purchase price and premium paid, if any.

33 Upon payment of any disputed sum, which in no event shall be greater than the original purchase price actually paid by Purchaser plus any commission or premium actually paid by Purchaser to Goldberg, Auctioneer and its employees shall be deemed released from any and all claims of the Bidder arising out of or in connection with the sale of such property. Purchaser agrees to execute prior to delivery of any refund, any documents reasonably requested to effect the intent of this paragraph. Should the Purchaser decline to do so, Purchaser hereby grants to Goldberg a limited power of attorney to unconditionally effect such release.

34 Rights granted to Bidders and Purchasers under these Terms and Conditions of Sale are personal and may not be assigned or transferred to any other person or entity, whether by operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred on any Bidder or Purchaser by these Terms and Conditions of Sale and terms of warranty. "Purchaser" shall mean the original Purchaser of the property from Goldberg and not any subsequent owner or other person who may acquire or have acquired an interest therein. If Purchaser is an agent, the agency must be disclosed in writing to Goldberg prior to the time of sale, otherwise the benefits of the warranty shall be limited to the agent and not transferable to the undisclosed principal.

35 If the Purchaser fails to comply with one or more of these Terms and Conditions of Sale, then in addition to all other remedies which it may have at law or in equity, Goldberg may at its sole option, either (a) cancel the sale, retaining all payments made by Purchaser as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, or (b) sell some or all of the property and (some or all other property of the Purchaser held by Goldberg, if Goldberg deems necessary), in a quantity sufficient in the opinion of Goldberg to satisfy the indebtedness, plus all accrued charges. More than

one such sale may take place at the option of Goldberg. Such sale may take place without notice to Purchaser. If Goldberg gives notice, it shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other address known to Goldberg. Such sale will be at Goldberg standard commission rates at public or private sale, within California, or at another location outside of California to be determined by Goldberg. Commemorative issue of the seizure of the Government by the Republic of China.

Marshal Tuan Chi Jui was twice in power. As a Chief of the Anfu political party, he became Vice-President after the death of Yuan Shih-kai in 1916, but was dismissed from that position by General Li Yuan Hung. In 1924 Tuan Chi Jui once again came to power as acting President of the Chinese Republic until he was crowned out of office in 1926 shortly after a severe riot at Peking. Tuan Chi Jui made a name for himself in China largely through his early military accomplishments. Later on in his career his actions were not always beneficial to his country. While head of his party, Tuan Chi Jui made extensive concessions to Japan and aided that country in gaining undue influence in China. After retiring, Tuan Chi Jui resided partly in Tientsin, and partly in Dairen, under Japanese protection.

CHOICE RICHARD III GROAT

- 344 **Great Britain. Groat, ND. S.2156.** Richard III, 1483-1485. Mint mark boar's head (type 2) both sides. Obverse has facing portrait of King and legend read RICARD. Reverse has cross and CIVITAS LONDON. A spectacular coin from the very short reign of one of Britain's most notorious monarchs. This is truly the finest example of a Richard III groat (this King's largest silver coin) which we have seen. It is a rarer variety of what is a rare coin anyway. This piece is richly toned and crisply struck with a nice original mint bloom. NGC graded AU-58.

Hunch-backed, treacherous, a child-murderer and so obviously evil that dogs barked at him- this is the popular view of Richard III, largely derived from the character portrayed in Shakespeare's play. There is, however, no evidence that he was deformed-on the contrary, he seems to have been a remarkably handsome man- and there is little evidence of anything untoward about his personality.

Richard was in his early thirties when he came to the throne. His was a brief reign, but it was eventful. The bail system for accused persons was introduced, compulsory gifts from individuals to the monarch (benevolences) were abolished and the foundation of the College of Arms brought order from chaos. The King also promoted education, endowing colleges at Cambridge. Nevertheless, the suspicions that Richard had had a hand in the disappearance of the princes (the 12 year old Edward V and his younger brother Richard) last seen in the grounds of the Tower of London in September 1483, undermined his popularity.

In August 1485, Henry Tudor, who had been biding his time in Brittany, France, landed in Wales with 3,000 French mercenaries and marched inland, picking up considerable support as he went. Richard III was essentially double-crossed by his own supporters who were in communication with Henry Tudor and, with the small number of troops which remained loyal to him Richard was killed at Bosworth Field, near Leicester. The battle ended the War of the Roses. The Tudors has arrived!

PATTERN 1846 TWOPENCE

- 453 Great Britain. Pattern Twopence or 10 Cents, 1846. Peck-2077. Smith on Decimal Currency. Copper original striking. Reverse inverted. Victoria. No legend on obverse. Head of Queen to left, undraped, truncated above the shoulder. Hair bound with a double fillet, and gathered up behind in a knot from which two loose curls fall. Below, in small letter - MARRIAN & GAUSBY.D.BIRM. All within a circle of square teeth and a broad outer rim which mimics the 'cart-wheel' two pence coins of George III, 1797. Reverse SMITH ON DECIMAL CURRENCY around, and in the field 10 CENTS in 2 lines. The date 1846 below, between two oval ornaments. circle of teeth etc. as on obverse. Edge plain.

The original striking of the pieces are actually rarer than Peck suggests. Nearly all of the pieces now seen are restrikes with numerous rust marks. This is an exceptional example which has no rust marks and which has escaped the knocks, cuts and scratches which seem so affect all of the Smith/Marrian & Gausby coins. Indeed many similar pieces are found in unusually worn condition - a puzzling fact when one considers that these are patterns whose size was far larger than the equivalent coins then in circulation. We have seen a nicer example of this denomination, even in the sets of coins which very occasionally appear in the marketplace. Finally, in many ways this coin appears to be a BRONZED copper original, which would mean it is unlisted by Peck. He only acknowledges the existence of the BRONZED copper restrikes. But, all in all a very desirable and intriguing specimen. NGC graded MS-64 Brown.

Edward IV was one of England's ablest rulers. He was skilled in commerce, law and diplomacy, and he encouraged trade with Europe by allowing the German Hanseatic League to have privileges. He recognized the contributions of merchant companies and dabbled successfully in the wool and cloth trades, the greatest contributors to English wealth. Trade boomed, and a new age opened in 1476 with the establishment of William Caxton's first printing press.

CHOICE 'FINE WORK' 1701 5 GUINEAS

Enlargement

- 803 **Great Britain. 'Fine Work' 5 Guineas, 1701.** S.3456; Fr-310. William III. Exceptionally sharp in strike with fine hair detail not seen in other high-grade example. William III ruled alone after the death of his wife (Mary II) until his own demise on 8th March 1702 following a serious fall from a horse. The 'Fine Work' gold coins of William III are among the most spectacular of the period. Seldom attributed to any particular purpose, but probably the work of John Croker, who seems to have been responsible for the experimental portraits all done within a few years of this, probably including those used on the piedfort Proof halfcrowns, the "flaming hair" shillings (S.3515), and the gold pieces of 1701 featuring the king adorned in what must be a fancy periwig hairpiece. The 5 Guinea coin, of course, shows this wonderfully detailed, deeply cut engraving off to best advantage. Seems better than the numerical grade given as the surfaces are glassy or prooflike and gleaming with luster, and it is exceptionally well struck even for this style. The king's locks are engraved as a chisel might cut into the finest marble, of exceptional fineness, and the reverse design is equally bold. The gold itself is lovely, without flaws of any real note. tied with the best of these, as several exist in Mint State. One of the most beautiful coins in any collection. **NGC graded MS-63.**
